Lincoln Park Airport Open House

April 26, 2008

9:30 - 3:00

AOPA Safety Seminar: "Say It Right"

Look Inside For More Details

Airport Open House features AOPA Seminar: Say it Right! Radio Comm in Today's Airspace

Ever heard a radio call that made you scratch your head -- or worse yet, cringe? Most of us, at one point or another, have struggled to find the right words on the radio.

Attend this free seminar and increase your communication know-how with practical tips on communicating in today's airspace. You'll also get straightforward advice on common pitfalls for VFR and IFR operations, communicating in an emergency, and coping with challenges at both towered and nontowered airports.

Plus, don't miss a rare opportunity to take part in a Q & A session with local air traffic controller: Be sure to bring the questions you've always wanted to ask!

You'll also learn:

The three magic words every pilot should know.

Some things you should check before squawking 7600 for lost communication.

The popular phrase the 2007 AIM says should NOT be used under any circumstances.

And much more...

Presented by Doug Stewart, Master Instructor and 2004 National Instructor of the Year.

Back by popular demand...

Tim McSwain's topic is Ground Safety — "What were they thinking?"

Join us May 7 at 7:00 pm. This program will be a look at safe operating practices before and after flight. This is an area that often gets little attention, but is a source of a significant number of accidents and incidents.

Areas of discussion will include; runway incursions, taxiing, runway and taxiway markings, loading and unloading passengers, communications and ATC clearances.

The session will be approximately one hour and questions are welcome. *Please register at faasafety.gov.*

Welcome

New Student Pilots

Scott Bonarigo	<i>Upper Saddle River, NJ</i>
Rob Daniels	<i>Pompton Plains, NJ</i>
Charles Elias	<i>West Caldwell, NJ</i>
Scott Garsia	<i>North Haledon, NJ</i>

The Mid-Atlantic Aviation Coalition- New Jersey presents the 2008 New Jersey Aviation Conference “Our Flying Future” Friday, May 2, 2008

The New Jersey Aviation Conference is the premier annual event celebrating New Jersey general aviation.

Each year prominent representatives from all areas of aviation meet to review important issues facing pilots, airport owners, and others involved in New Jersey aviation.

The 2008 New Jersey Aviation Conference will be held at Newark Liberty International Airport in historic Building 1, the first airline terminal building in the world.

The Conference will include a safety presentation, so pilots - be sure to pick up a “Wings” form.

Registration Fee of \$45 includes the Conference, Continental Breakfast, Coffee Break, and Lunch

To learn more about Newark International Airport visit the National Park Service website <http://www.nps.gov/nr/travel/aviation/new.htm>
